

# Towards a More Inclusive Dairy Development in Tanzania

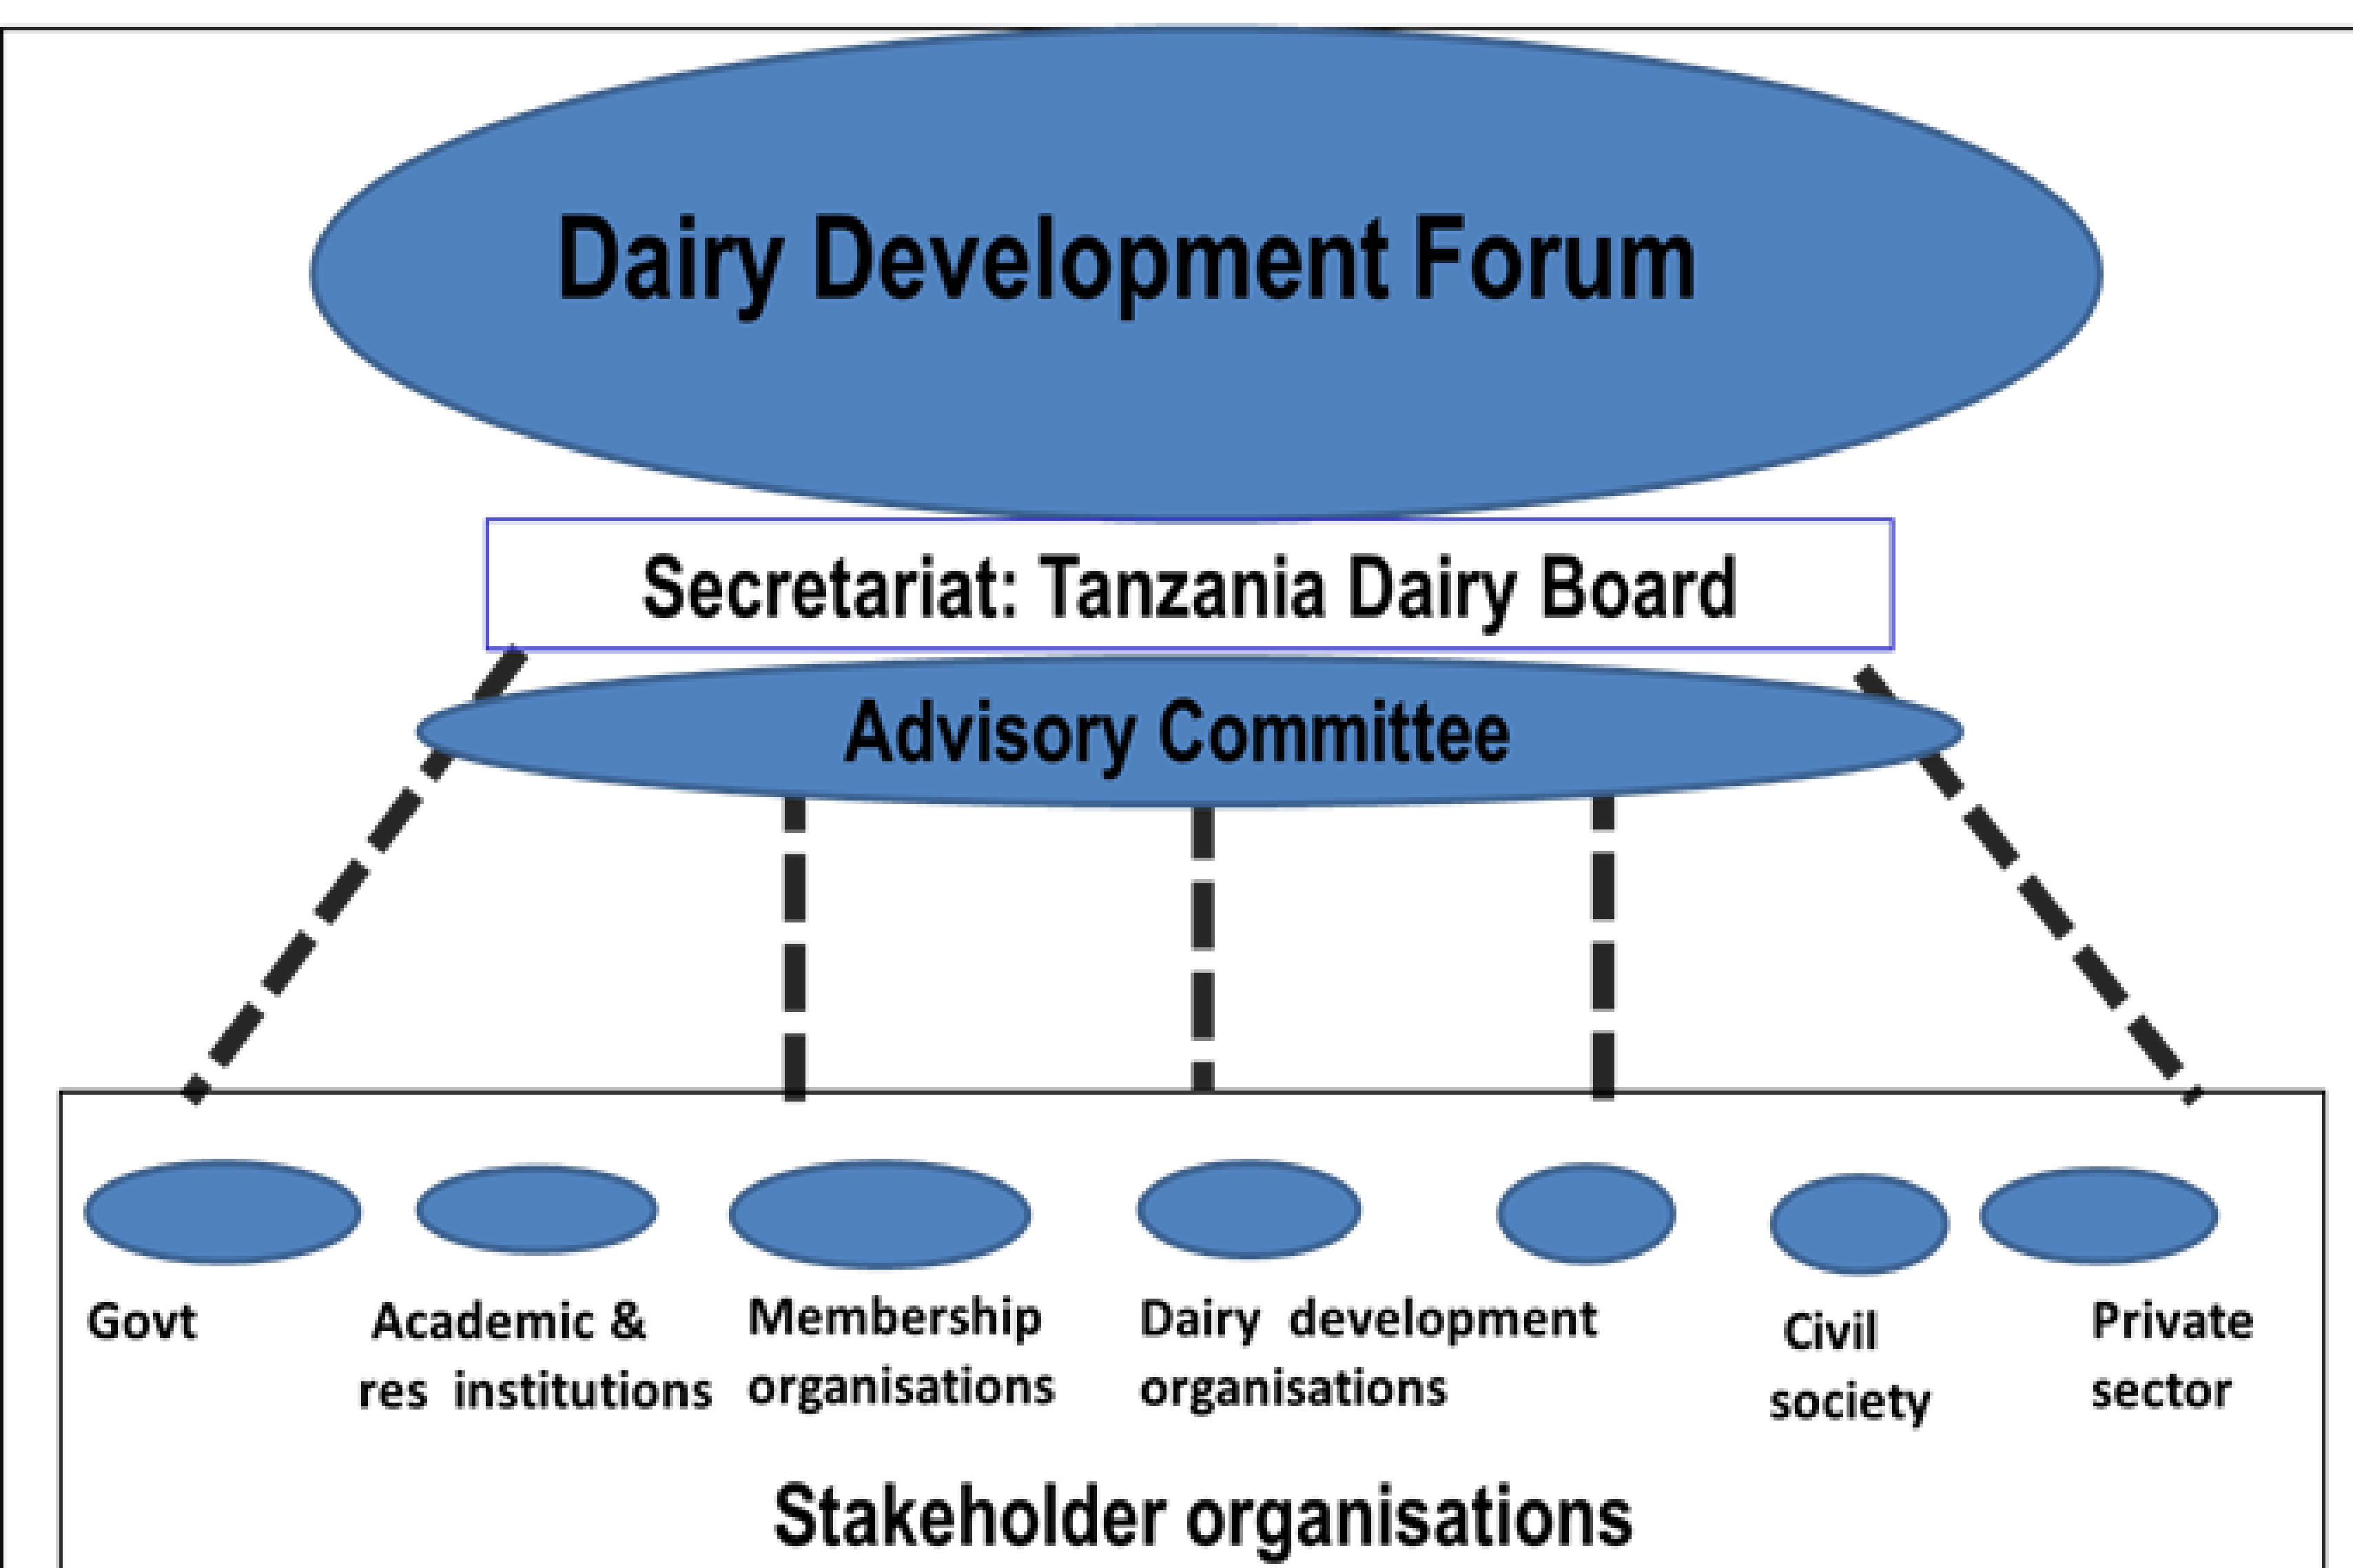

## National Dairy Stakeholders' Meeting

On 22<sup>nd</sup> February 2013 at Blue Pearl Hotel, Dar es Salaam

### Co-hosted by

Tanzania Dairy Board (TDB)  
Sokoine University of Agriculture (SUA)  
International Livestock and Research Institute (ILRI)  
Heifer Project International (HPI)  
SNV - The Netherlands Development Organisation  
Land O' Lakes, Inc  
Ministry of Livestock and Fisheries Development (MLDF)

### DDF and stakeholder linkages

### Objective of the Meeting

To present the Dairy Development Forum (DDF) for promoting:

1. A more inclusive orientation in public and private investments in the dairy sector
2. Professionalization and best practices in the dairy sector
3. Information and knowledge sharing including, convening as an innovation platform to address systemic bottlenecks and co-create solutions in the dairy sector at national and milk-shed levels

### What you will hear at the meeting.....

- Presentation of proposed functions, structure and membership of the Dairy Development Forum (DDF) from the Task Force appointed at the 8<sup>th</sup> Annual Council meeting of the Tanzania Dairy Board during the Dairy Promotion Week held in Moshi in May/June 2012
- Perspectives of stakeholder organisations on what future agenda of the DDF ought to be
- A facilitated session to generate the initial list of systemic bottlenecks in the dairy sector that need to be addressed

### What we expect from you....

- Participation in facilitated sessions to generate the initial list of systemic bottlenecks in the dairy sector
- What role you can play to contribute to co-create solutions
