

# Towards a More Inclusive Dairy Development in Tanzania

## 5<sup>th</sup> Dairy Development Forum (DDF) Meeting

On 29<sup>th</sup> May 2015 at Babati, Manyara in conjunction with the National Milk Week Celebrations

### Co-hosted by

Tanzania Dairy Board (TDB) – DDF Secretariat  
Sokoine University of Agriculture (SUA)  
International Livestock and Research Institute (ILRI)  
International Center for Tropical Agriculture (CIAT)  
Heifer Project International (HPI)  
SNV - The Netherlands Development Organisation  
Ministry of Livestock and Fisheries Development (MLDF)  
Institute for People, Innovations and Change in Organisations (PICO) Eastern Africa

### Objectives of the 5<sup>th</sup> DDF meeting

Share progress and feedback from the Task forces formed during the last DDF meetings addressing Dairy Genetics and Feed resources availability.

### What you will hear at the meeting.....

- Share lessons from other functional platforms and best practices
- Participate in the national Milk Week that will be held concurrently with the 5<sup>th</sup> DDF Meeting
- Get exposed on the “Mazzican” a wonder plastic milk can which is suitable for hygienic milk handling and transporting

### What we expect from you....

- Feedback on what you committed to do at the last DDF meeting in October 2014
- Participation in facilitated sessions to refocus on a few issues with high priority around identified systematic bottlenecks to co-create solutions for the improvement of dairy value chains in Tanzania: *Maziwa Zaidi!*
